

St. Patrick Catholic School Mission Statement & Philosophy

Mission

St. Patrick Catholic School is a collaborative ministry of the Church and school community that serves the educational needs of each child in a safe, supportive environment.

The center of its educational process is the Catholic faith which promotes morality, virtues, academic excellence, and service to the faith community and beyond.

Philosophy

St. Patrick Catholic School strives to develop the spiritual, intellectual, physical and emotional well being of each individual.

- We believe our children are our hope, the future of the Church and society.
- We recognize that parents are the primary educators of their children.
- We, as parents, teachers, and the entire school community work together to model our faith as Catholic witnesses for each child.
- We cultivate a supportive, safe, disciplined and caring environment for learning.
- We teach self-discipline, self-respect and respect for others, while encouraging each child to make decisions according to Catholic principles.
- We uphold Catholic ideals, virtues and practices.

Prayer to St. Patrick

*Christ be with me,
Christ before me,
Christ behind me,
Christ beneath me,
Christ above me,
Christ on my right,
Christ on my left,
Christ where I lie,
Christ where I sit,
Christ where I arise,
Christ in the heart of everyone
who thinks of me,
Christ in every eye that sees me,
Christ in the ear that hears me.
Salvation is of the Lord.
Salvation is of the Christ.
May your salvation,
O Lord, be ever with us.
Amen.*
